BASH FOR THE BAND

The Over the Hill Gang Charity's goal is to provide financial assistance to local families whose lives and livelihoods have been impacted by tragedy and hardship, with 100% of the funds going directly to recipients. Since the charity's inception 48 years ago, we have raised and distributed more than half a million dollars to local families in their time of need.

This year, the OTHG Charity is holding its annual fundraiser on July 26, 2024, at Allen Park in Farmingdale to raise money for the victims of the Farmingdale High School bus crash.

On September 22, 2023, a catastrophic bus crash claimed the lives of two longtime Farmingdale High School teachers after the bus veered off an interstate and tumbled down a ravine. The bus was carrying 40 members of the Farmingdale High School marching band en route to band camp in Pennsylvania. Several students were seriously injured, and each of them have endured emotional trauma since the accident.

All proceeds from this fundraiser event will be gifted to the students who were involved in the bus accident.

OTHG Charities is a certified 501(c)3 organization. All donations are tax deductible.
